Growth Readiness for Water Quality

Vendor: KY Division of Water

2005 DOW 2

Half-hour to two-hour workshops will provide (1) background information on regulatory obligations of local governments relating to water quality; (2) information on importance of water quality to the environment, quality of life and the economy; and (3) economical options for addressing water-quality issues to help communities stay in compliance. Times and places of workshops to be scheduled.

Thu, May 31

Various locations statewide

If you are aware of an upcoming training event that is not listed and which would benefit you in your role as a county elected official, submit an application to the Governor's Office for Local Development. The form may be downloaded from the GOLD website at <http://www.gold.ky.gov>.

As you prepare to make application for approval of training hours, be sure to obtain a contact name and phone number for the vendor, information on the instructor, a copy of the agenda showing dates and times, and determine how to obtain written proof of attendance.
